**KINDNESS FORCE**

***Well done for staying home so far! We know it's not easy, but it's safer right now and you're helping a lot by being in lock-down.***

While most of us are lucky to have a roof over our heads and food in our cupboards, 1000's of children right now are going cold and hungry. We know *Children Can Change The World*, which is why we're calling on you to join us in forming a **Kids Kindness Force**. Get sponsored by doing some **Kind Deeds For Kids in Need**, - and give your grown-ups a helping hand too - to raise money for kids having a really tough time.

▶ We love **Feeding Britain** and **Choose Love** - but please raise money for any charity that means something to you. It really doesn't matter how much you raise- every little bit makes a difference.

**Feeding Britain**  
...is an inspirational charity which works to ensure people in the UK don't end up going hungry. During the COVID crisis more and more people are finding it harder to afford food, so Feeding Britain is running an emergency food programme to support children and their families, by providing hot meals and food packages: **feedingbritain.org**

**Choose Love**  
..is the world's first store where you can buy much needed items for refugees. There are huge numbers of children and adults living in refugee camps, where life is very hard. If you want to help them, then you can use the money you raise to shop in the Choose Love 'store' and buy real 'gifts' that get sent to refugees all around the world, including children's coats, baby items and food: **choose.love**

**Now, we know that doing 'jobs' isn't always appealing, but maybe your grown-up can give you something for your kind deed too, like extra screen time or a movie night**

Sharing what you get up to on social media using **#kidskindnessforce**, tag us **@stib ltd** or send us an email: **hello@stibpencils.com**
